

MPIRA PRIMARY SCHOOL, MALAWI

St Margaret's Malawi 2017 Project Newsletter 1

OCTOBER 2016

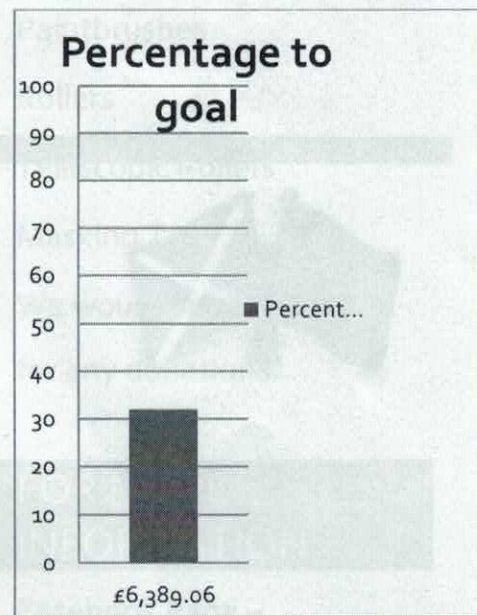

Update on Fundraising

About Our Project

In June 2017 a group of 32 pupils, staff and parent helpers from St Margaret's Academy, Livingston are travelling to Mwanza region Malawi to work with a local primary school, Mpira Primary School.

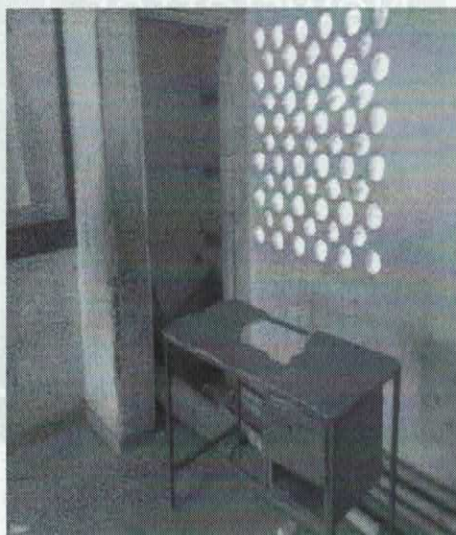

St Margaret's already has a connection with this school. We worked with Mary's Meals to provide a Mary's Meals kitchen in 2012. For this project we are working with the Scottish Charity -

Classrooms for Malawi to build two new classrooms and renovate two classrooms. Each person travelling needs to fund their own costs. The building project will cost £20 000. The group are working towards raising this, with the support of the school community, family and friends.

Fundraising News

The total raised so far for the 2017 Project is £6 389.06.

Over £2 000 of this was raised by James Ewins, an S3 pupil in St Margaret's, who was sponsored to walk part of the Camino in August.

Other events so far include a Quiz Night, Racenight and Hand Made Card Sale.
